## AREAS OF INTEREST

Full Stack Developer
***(Building Scalable & High-Performance Web Applications)***

## CERTIFICATIONS & ACCOMPLISHMENTS

***Advanced C Programming***
***LinkedIn Learning***

***Learnathon – ICT Academy***
***Completed 8 certified courses under the Learnathon program, enhancing technical and professional skills.***

***Java Certification***
***Oracle***

***Docker Foundations Professional***
***LinkedIn Learning***

***Full-Stack (Web Developer)***
***LinkedIn Learning***

## CAREER OBJECTIVE

Full Stack Developer with experience in React, Next.js, and Node.js, focused on building scalable, high-performance web applications and delivering impactful software solutions.

.

## EDUCATIONAL QUALIFICATIONS

***Computer Science and Engineering*** — ***7.65 CGPA***
***Knowledge Institute of Technology, Salem***

***Higher Secondary Education*** (12th Grade) — ***63.66%***
***The Little Flower Higher Secondry School,Salem***

***Secondary Education*** (10th Grade) — ***(covid Batch)***
***The Little Flower Higher Secondry School,Salem***

## TECHNICAL SKILLS

***Frontend Development:***
HTML5 | CSS3 | JavaScript | React.js | Bootstrap | Next.js | Express.js

***Backend Development:***
Node.js | Express.js | REST APIs | Deployment (Vercel / Netlify)

***Database:***
MongoDB | MySQL

***Programming Languages:***
Java | Python | C

***Tools:***
Git | GitHub | VS Code | Postman | MongoDB Compass | VS Code | Eclipse

## ACHIVEMENTS

***National Level Coding Contest – 3rd Rank Holder***
Secured 3rd place at the national level by outperforming participants across India through efficient algorithm design, logical reasoning, and optimized coding solutions under competitive conditions on 28th February 2025.

***Paper Presentation Competition – Secured 2nd Place***
Achieved 2nd rank by presenting a well-researched technical paper, showcasing strong subject knowledge and presentation skills.

## *LANGUAGES*

English

Tamil

Marathi

Hindi

## *HOBBIES*

Numismatics

Travelling

Basketball

## *PERSONAL DETAILS*

Date of Birth : 02-07-2005

Nationality : Indian

Father name : Tanaji N

Mother name: Rekha T

## *INTERNSHIP*

**Web Developer Intern – Imagecon (2024**)

- Built responsive and user-friendly web interfaces using HTML, CSS, JavaScript and React.Js.
- Assisted in developing, optimizing, and maintaining web applications while collaborating on new feature implementation.

## *TRAINING*

Full Stack Development in "***Dev Tech Solutions***"
(2-month training)

C Programming, Java, and Data Structures & Algorithms in "***SmartCliff***"
(2-month training).

Communication Skills Training in ***"Smart Training Institute"***
(1-month training).

## *PROJECT EXPERIENCE*

**JSW OHC – Real-Time Web Application (2024)**

- Collaborated in a team to design and deliver a company-assigned real-time web application.
- Managed task allocation and schedules while contributing to frontend development.
- Developed responsive and reusable UI components using React, HTML5, CSS3, and JavaScript.
- Optimized application performance and usability through testing and improvements.

**Inventory Management System – College Project (2025)**

- Built a web-based Inventory Management System to maintain and manage college stock records.
- Contributed to full-stack development using Next.js and React.
- Implemented responsive UI and backend logic for stock tracking and management.

**Real-Time Attendance Tracking System (Face Recognition) (2026)**

- Built a real-time attendance system using Next.js and Face API with machine learning for automated facial recognition, enabling accurate attendance marking and efficient real-time processing

I hereby clarify and declare that all the statements made in this application are true and correct to the best of my knowledge and belief.
